

Arkansas High School AR-022 AFJROTC

CADET CONTRACT

Application and Agreement for the
Air Force Junior Reserve Officers Training Corps (AFJROTC)

AFJROTC is a full credit elective course offered by the Texarkana School District at Arkansas high School (AHS). It is a unique course of instruction because the US Air Force has established certain requirements which must be met before academic credit can be given. This agreement, like an education contract, serves to provide general guidelines concerning these requirements to each cadet and encourage a commitment on their part to develop self-discipline and responsibility for personal actions.

NOTE: Participation in AFJROTC does not commit or obligate any student to military service nor does it guarantee any special consideration should a student elect to enter any of the military services. However, a cadet who successfully completes three years of AFJROTC may: (1) Qualify for advanced rank upon enlistment; (2) Compete more favorably for college ROTC scholarships and service academy appointments.

Agreement

1. Upon acceptance of this application and the fulfillment of its conditions by the cadet the Aerospace Science Instructors agree to:

- a. Provide textbook materials
- b. Issue a regulation Air Force uniform on a loan basis from the authorized tariff sizes available from the Air Force.
- c. Provide instruction in support of the purpose and program objectives of AFJROTC. Specifically, a cadet should develop:

- 1) An appreciation of the basic elements and requirements for national security.
- 2) Respect for/an understanding of the need for constituted authority in a democratic society.
- 3) Patriotism and an understanding of their obligation to contribute to national security.
- 4) Habits of orderliness and precision.
- 5) A high degree of personal honor, self-reliance, and leadership.
- 6) A broad-based knowledge of fundamental aerospace doctrine.
- 7) Basic military skills.
- 8) A knowledge of/appreciation for the traditions of the US Air Force.
- 9) An understanding of the opportunities in the Air Force as a career.

d. Encourage academic achievement/career planning. Provide guidance regarding the continuing educational opportunities available through service academies and college ROTC scholarship programs.
